

MESSAGE FROM THE CHAIR

To my fellow Arch Klumph Society members,

It is with great enthusiasm and appreciation that I write you during the first quarter of a new Rotary year. Since I served as president in 2013-14, Rotary has continued to solidify its position as a global leader and advocate for goodwill, fellowship, and peace. We have reaffirmed our commitment to ending polio and have seen a steady decline in cases worldwide. In that time, the number of fellows who received training at Rotary Peace Centers to become peacebuilders in their communities surpassed 1,200.

As you'll see in the pages of this newsletter, the momentum we felt as we celebrated the Foundation's first century of service continues to drive us toward a better tomorrow, and the growth of the Arch Klumph Society provides evidence of this. During the 2017-18 Rotary year, we welcomed 118 new members into the society, adding diversity and vigor to an ever-expanding network of likeminded humanitarians.

On behalf of the trustees of The Rotary Foundation, I would like to express our gratitude for your ongoing support. With your commitment, passion, and leadership, the impact of your service to the world knows no limit. Thank you for all that you do for Rotary.

Sincerely,

Ron D. Burton
Chair, The Rotary Foundation 2018-19

2018 TORONTO CONVENTION

Over 25,000 Rotarians from around the world came together in Toronto for the 109th annual Rotary International Convention. In the “Capital of Nice,” members representing more than 175 countries found inspiration around every corner as they attended general sessions and exchanged ideas on how to improve lives and bring positive change to communities. For Rotaractors, this year’s convention held special significance as members celebrated the program’s 50th anniversary.

Distinguished guest speakers at this year’s event included HRH The Princess Royal, Princess Anne; president and CEO of UNICEF USA Caryl M. Stern;

former U.S. first lady Laura Bush; and Prime Minister of Canada Justin Trudeau, who accepted Rotary’s Polio Eradication Champion Award. Former prime minister of New Zealand, Helen Clark, joined then-RI President Ian H.S. Riseley for a discussion about gender equality, and the crucial links between the environment, poverty, hunger, and peace.

Before the start of the convention, nearly 1,000 Rotarians, Rotaractors, and other peace leaders gathered to discuss the power of peace at the two-day Rotary Peacebuilding Summit. Learn more about this event and all of the convention news on Rotary.org.

ARCH KLUMPH SOCIETY DINNER AND INDUCTIONS

More than 350 society members attended this year's Arch Klumph Society Dinner during the Toronto convention. A highlight of the evening was the induction ceremony honoring 18 new members, representing eight countries: Canada, India, Japan, Kenya, the Netherlands, New Zealand, the United Arab Emirates, and the United States.

The historic Fairmont Royal York hosted the dinner and provided an elegant backdrop for the evening's festivities. Then-president Ian H.S. Riseley and then-Trustee Chair Paul A. Netzel spoke during the ceremony, which was hosted by General Secretary John Hewko.
