  - Under “Primary Language,” choose the language in which you would prefer to receive Rotary Cadre emails. \*Choose from English, French, Korean, Japanese, Portuguese, or Spanish.
  - Be sure to click on the gray “Languages” box at the bottom of the page. This will open the section where you can list your languages and language proficiency. To enter a new language, click on “New,” choose a language, and then rate your proficiency in that language (5 = Fluent and 1 = Basic Skills). Make sure to click on “Save” after you enter each language!
