EXPERIENCE THE SPIRIT OF ALOHA AT ROTARY

The Rotary International Convention, our premier event, is held every June in a different world-class city. The convention fills five days with renowned speakers, educational seminars, an exhibit hall, entertainment, and social events where tens of thousands of Rotary members and supporters connect to make an even greater impact around the world.

In 2020, Rotary members will say “aloha” to the history, culture, and warmth of Honolulu — the “gathering place” and state capital of Hawaii, during the Rotary International Convention. Each year, the convention is a place where people of action gather to celebrate, collaborate, and connect while making unforgettable memories with friends and family.

WE ARE PEOPLE OF ACTION

Rotary is an international service organization that unites people committed to tackling humanitarian challenges. With more than 1.2 million members and over 35,000 clubs worldwide, Rotarians are people of action from many continents and cultures who unite to create lasting change across the globe, in our communities, and in ourselves.

For a century, Rotary clubs have helped members connect, share ideas, and build friendships as they work on projects that promote peace, fight disease, provide clean water and sanitation, save mothers and children, support education, and grow local economies.

Our most notable work is our global effort to eradicate polio. With the help of our partners, we have reduced the number of polio cases worldwide by 99.9 percent.
