CHAPTER 1

COMMITTEE ROLE AND RESPONSIBILITIES

The Rotary Foundation offers Rotary grants that fund projects that ultimately advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

BE YOUR CLUB’S FOUNDATION ADVOCATE

One of the Rotary Foundation committee’s responsibilities is sharing stories with club members about how The Rotary Foundation makes service projects possible. When members connect Rotary projects with Foundation funding, they are inspired to get involved and contribute.

CLUB MEETINGS

Each quarter, ask to be included on the meeting agenda to recognize members who have contributed and to talk about how members can support the Foundation. Invite alumni and volunteers to speak about how they have benefitted from the Foundation or how they have seen it benefit others. Videos and images can be downloaded free of charge, and pamphlets available at shop.rotary.org can also enhance your presentation.

GRANT-FUNDED ACTIVITIES

Apply for grants to enhance the quality and impact of your club’s projects. Better projects will make your club more attractive to new members. Get members involved as planners and volunteers. Once they have seen the impact of a successful service project, they will be inspired to promote Rotary, the Foundation, and your club.

**FOUNDATION SEMINARS**

Encourage club members to attend the district Rotary Foundation seminar to learn about the Foundation and how they can get involved. Your committee can also hold a club Foundation seminar.

Planning resources include the District Rotary Foundation Seminar Leader’s Guide, members of your district’s Rotary Foundation committee, your regional Rotary Foundation coordinator, and your endowment/major gifts adviser.

**INDEPENDENT STUDY**

Members can go to the Learning Center at learn.rotary.org and find courses to improve their Rotary knowledge. The Rotary Foundation Basics course includes a PowerPoint presentation on Rotary Foundation topics, and a quiz to test your knowledge.

**GRANT MANAGEMENT SEMINAR**

This seminar, held by the district, focuses on best practices to make sure that all Rotary grants sponsors are prepared to manage grant funds.

To qualify for Rotary global grants, at least one club member — the president, you, or another member — must attend the training seminar and sign the Memorandum of Understanding.

**ROTARY GRANTS**

The Rotary Foundation offers grants that support a wide variety of projects, scholarships, and training that members organize around the world. There are two grant types: district and global.

**DISTRICT GRANTS**

District grants allow clubs and districts to support small-scale, short-term activities that address immediate needs in their local communities and abroad, and align with the mission of the Foundation. Clubs submit project funding requests to the district, which determines which requests to approve as well as the grant amount to apply for from the Foundation. Once the grant is received, the district disburses funds to clubs. The district is eligible to receive one district grant annually.

**GLOBAL GRANTS**

Global grants support large, international projects and activities that respond to a need the benefiting community has identified, and that involve the active participation of club and community members. Global grants have a sustainable, measurable impact in one or more of Rotary’s areas of focus and are designed to continue aiding the community long after the Rotary club or district has concluded its work.

The areas of focus are:
- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development

Global grants offer a minimum World Fund award of $15,000 for a minimum project budget of $30,000. The World Fund award is based on a 100 percent match of District Designated Fund (DDF) or a 50 percent match of cash contributions. Beginning in 2015, sponsors will need to add 5 percent to cash contributions, which is used to help cover the costs associated with processing them. Global grants must have two primary sponsors, which can be clubs or districts: a host partner in the country where the activity takes place and an international partner outside the country.

The global grant application is a two-step process. First, Rotarian sponsors sign in to the grant application tool and answer the First Step questions to make sure they are ready to submit an application. These questions review the grant Terms and Conditions. Once the host and international sponsors are confident that the grant request meets all the requirements, your club or district can submit the application online. Both district Rotary Foundation committee chairs must authorize the application before the Foundation reviews it. Use this online guide or contact Rotary Foundation staff to answer questions as you prepare the application.

**Stewardship and qualification.** To show their commitment to the ethical management of Rotary Foundation grant funds, grant sponsors must be qualified by their district. Your district must become qualified in order to participate in these grants and must in turn qualify your club if you wish to apply for global grants. Find more details in the Club Memorandum of Understanding Resources.
The Foundation has two minimum requirements for club qualification:

- The club president-elect or a club-designated appointee attends the district grant management seminar
- The club president and president-elect sign the Club Memorandum of Understanding on behalf of their club

Your district may have additional qualification requirements. Once your district qualifies your club, you may apply for a global grant. For questions about qualification, contact your district Rotary Foundation committee chair.

**POLIOPLUS**

Rotary’s top priority is the global certification of polio eradication. Through club members’ fundraising efforts, Rotary has contributed over $1 billion to the PolioPlus campaign. In addition, members make up a large volunteer network at the local level, providing support at clinics and mobilizing communities for immunization or other polio eradication activities.

Your club can help achieve the goal of global polio eradication by participating in three key ways:

- **Advocate** — Invite policy makers (members of parliament, ministers, members of Congress, development agency representatives) to a local Rotary club meeting to discuss progress against polio and how they can make history by supporting the fight to end polio.
- **Fundraise** — Hold a polio fundraising event or devote a club program to the topic of polio eradication. Share information with social networks and write to your government leaders to secure public support for the polio eradication program.
- **Educate** — Inform club members about progress the organization has made and the importance of staying involved until the world is certified polio-free. Share stories with local media to tell your community about the work your club is doing to end polio. Include examples of how you are making an impact and quotes from local Rotary members and other supporters.

If your club is in a polio-endemic country, you can:

- **Get involved** — Offer to assist your national PolioPlus committee chair with immunization or surveillance activities.
- **Advocate** — Contact government leaders and health officials to affirm their commitment to a polio-free world. Reach out to community and corporate leaders to encourage support for polio eradication efforts in your country.
- **Educate** — Tell members of your community about polio, routine immunization, and how a polio-free world contributes to better health for all children.

Materials that can be used to support these efforts are available at endpolio.org. If you have questions about PolioPlus, email polioplus@rotary.org.
ROTARY PEACE CENTERS
The Rotary Peace Centers program provides fellowships to professionals pursuing either a degree in international relations, peace studies, conflict resolution, or related subjects or a professional development certificate in peace and conflict resolution studies at one of the Rotary Peace Centers.

Your club should submit Rotary Peace Fellowship applications to your district by 31 May. Districts must submit applications to The Rotary Foundation by 1 July.

Your club can get involved in several ways:
• Invite current and past Rotary Peace Fellows to share their experiences with your club
• Nominate candidates for district consideration
• Serve as hosts and counselors to fellows

Potential and newly selected participants can learn more by taking the Orientation for Scholars, Vocational Training Teams, and Peace Fellows course in Rotary’s Learning Center.

WORKING WITH ALUMNI
Rotary alumni include anyone who has participated in a Rotary program. More than 118,000 people have participated in programs funded by The Rotary Foundation. Alumni are powerful advocates for Rotary and the Foundation and potential members and donors as well. Alumni can also help your club by:
• Connecting Rotary clubs from different countries for service and fellowship
• Sharing with club members and the media their personal experience of how the Foundation changes lives
• Promoting the program to their peers
• Advising on the selection of program participants and helping with orientation and hosting programs
• Becoming members of your club

Contact your district membership committee chair to find out how you can integrate Foundation alumni into club activities.

SHARE AND DISTRICT DESIGNATED FUND
Through the SHARE system, contributions to The Rotary Foundation are transformed into grants that improve the world and change lives. The Foundation Trustees involve Rotarians worldwide in the decision-making process for Foundation grants and programs.
At the end of every Rotary year, contributions to the Annual Fund-SHARE from all Rotary clubs in a district are divided into two funds:

- 50 percent is credited to the World Fund
- 50 percent is credited to the District Designated Fund (DDF)

The Foundation uses the World Fund portion to pay for the worldwide programs available to all Rotary districts. Your district uses the DDF portion to fund the Foundation grants and programs of its choice.

The Rotary Foundation operates on a three-year funding cycle designed to give districts time to plan and select projects and activities and enables the Foundation to use the investment earnings to pay for administrative and fund development costs.

Your district Rotary Foundation committee decides how to use the district’s available DDF, in consultation with the clubs in your district. Contact your district Rotary Foundation committee chair to learn more.

**GIVING TO THE ROTARY FOUNDATION**

Gifts to the Foundation can be directed to the Annual Fund, the Endowment Fund, or the PolioPlus Fund. Submit contributions through Rotary.org by going to the Take Action tab, then choosing GIVE NOW.

You can sign in to your My Rotary account to make a contribution on behalf of a club member and to access your club’s Foundation reports and the multiple donor form and individual contribution form. If you don’t have access to these reports, have your secretary or president add you as a club officer on Rotary.org.
**POLIOPLUS FUND**

Despite the enormous resources already committed, more money is urgently needed to reach all children in the remaining polio-endemic countries. Club members are encouraged to make contributions to the PolioPlus Fund, which helps to continue immunization efforts until the world is declared polio-free. Your committee can organize fundraising events in support of PolioPlus. Grants made from this fund help pay for National Immunization Days and surveillance activities.

**ANNUAL FUND**

The Annual Fund is the main funding source for Rotary grants and activities. The Every Rotarian, Every Year initiative encourages every member to participate in a Foundation project and contribute to the Annual Fund every year. You can support this effort in the following ways:

- Make your gift to the Foundation early in the Rotary year
- Encourage every club member to make a gift every year
- Explain to members how their contributions to the Annual Fund support Foundation grants and activities that achieve good in the world
- Recognize those who support The Rotary Foundation

**ENDOWMENT FUND**

The Endowment Fund ensures the long-term viability of the Foundation’s grants and programs. Contributions to the Endowment Fund are invested in perpetuity. A percentage of the total value of the fund is directed annually to Foundation grants and programs. Donations to the Endowment Fund tend to be of substantial size and can be outright cash contribution, stocks, and other securities, bequests, or life-income agreements. Club members who want to support the Rotary Peace Centers can make a gift to that program through the Endowment Fund. If you know a member of your club who can make a large gift to the Foundation, please contact the regional Rotary Foundation coordinator or assistant RRFC serving your area for information on how to finalize such a gift.

**FUNDS FROM THE COMMUNITY**

While many of our contributions come from members, the community also contributes through fundraisers and independent donations. Plan fundraisers to give the community the opportunity to support your club and Rotary. For more information, see the fundraising section in Lead Your Club: Service Projects Committee.
CONTRIBUTION RECOGNITION

Sincerely acknowledging a donor’s gift is the first step toward additional financial support. The Rotary Foundation recognizes donors for financial contributions or commitments for future contributions. Find more information on Rotary.org’s Recognition page.

You’re the chair of your club Rotary Foundation committee. What happens next? Meet with the outgoing committee chair, review your club’s bylaws and strategic plan, and start thinking about who else will be on your committee. You can also start planning how you will run your committee. In addition to becoming an expert on your committee’s subject area, you will be managing your committee members.

**YOUR COMMITTEE**

In many clubs, members serve on a committee for three years, so it’s likely that some current committee members will continue into your term. If you need to fill any openings on the committee, work with the president-elect to find someone with international, volunteer, or fundraising experience.

As chair, you’ll delegate tasks, so you’ll need to determine how best to use the skills and interests of your committee members. You can prepare them by:

- Informing them of the committee’s ongoing activities and goals
- Pairing new committee members with more experienced ones
- Encouraging them to communicate with counterparts in other clubs
- Notifying them of district activities and meetings
- Sharing resources

Collaborate with your club’s other committees to maximize your club’s impact. For example, work with the committee for:

- Service projects, to consider if any can be funded by Rotary grants
- Public relations, to promote projects, fundraisers, and member participation
- Membership, to find and involve alumni in club activities

These conversations should be ongoing and can take place at your club’s board meetings.
SETTING GOALS
As chair you make sure the committee sets and achieves annual goals that support the club’s strategic plan. You’ll set goals with your incoming president and other club leaders at the district training assembly. The president or secretary can enter the goals in Rotary Club Central.

EFFECTIVE GOALS
Be sure that the annual goals reflect committee capabilities and club interests. Goals should be shared, measurable, challenging, achievable, and time-specific. For example: All of our club members will contribute to the Annual Fund by 1 January.

ACTION PLAN
Work with your committee to develop an action plan, or series of smaller goals or steps needed to achieve each goal. For each step:
• Set a deadline
• Determine who’s responsible for implementing it
• Decide how you’ll measure progress and success
• Consider which resources you have and get the ones you need

Regularly assess your progress and adjust your goals if necessary.

MOTIVATION
Part of your role as chair is keeping committee members motivated. Remember that your committee members are volunteers. Common motivators include:
• Assurance that the goal will be beneficial
• Belief that the goal is achievable and will be successful
• Opportunities for fellowship and networking
• Assignments that use each member’s expertise
• Making sure members enjoy their committee work

BUDGET
Before 1 July, work with the outgoing committee and the club treasurer to determine what funds your committee will need and see that these funds are included in the club’s budget. Be sure to include any planned fundraising activities.

Oversee committee funds, transactions, and reports, and be aware of the financial condition of your committee’s budget at all times. If you meet regularly with your club’s treasurer, you’ll be able to take action if issues arise.
