ROTARACT PRECONVENTION

22-23 JUNE 2018
TORONTO, ONTARIO, CANADA

WELCOME FROM THE ROTARY INTERNATIONAL PRESIDENT

Dear Rotaractors and Rotarians,

The 2018 Rotaract Preconvention marks the culmination of our yearlong celebration of 50 years of Rotaract. Here you are among friends and leaders from around the world. Take this opportunity to strengthen relationships, freshen up your leadership skills, and be inspired to serve. It is my pleasure to welcome you to this incredible event, commemorating 50 years of taking action, leading our communities, and changing the world.

For half a century, Rotaract has been a tremendous asset to Rotary and to the communities we serve together. Rotaract is much more than the future of Rotary: It is the present, and the future, of our communities. Here at the 2018 Rotaract Preconvention, each of you has the chance to lead, to learn, and to discover the friendship that can only come from serving together. It is my hope and my wish for all of you that the satisfaction you have found in Rotaract will inspire you to continue on to a lifetime of service, in Rotary and beyond.

We know we can do more together than we could ever hope to do alone. So make the most of this experience in Toronto. Meet new friends, discover new ways to work together, and create new opportunities to make a sustainable impact on our world, in our communities, and in the lives of others, as one family of *Rotary: Making a Difference*.

I wish you all the best for a great preconvention, full of creative, engaging, and productive sessions.

Sincerely,

Ian H.S. Riseley
President, Rotary International, 2017-18

WELCOME FROM THE ROTARACT CO-CHAIRS

Dear Rotaractors, Rotarians, and friends,

This year is a special year: We are celebrating 50 years of Rotaract! We are very happy you are here with us to create an unforgettable experience. We welcome you all to Toronto!

Whether you are attending your first preconvention or are a preconvention veteran, we hope you will encounter inspiring projects, life-enriching experiences, old and new friends and, of course, a lot of fun. Our program is specially planned so everyone will find breakout sessions and speakers of interest.

We'll have the opportunity to hear presentations from and ask questions of RI President Ian Riseley and President-elect Barry Rassin. We'll see outstanding Rotaract projects from around the world. We'll offer training specifically for district Rotaract representatives-elect. And during breakout discussions, you'll have the opportunity to choose a topic, ask questions, and play an active role.

You as Rotaractors are the advocates for Rotaract and for this celebration. Meet one another at the Rotaract 50th display, and tell Rotarians about your club, your projects, your meetings, your activities, and your friends. Together we can make a difference!

We hope you will remember this preconvention as a special one by celebrating, by making new friends, by embracing new cultures, and by participating in activities, discussions, and fun events. This gathering was planned by the Rotaract and Interact Committee, with fantastic help from Rotary International staff, with the goal of creating mutual understanding, inspiration, and a call to action.
