

ROTARY SEEKS EXPERIENCED PROFESSIONALS: MIDDLE EAST AND NORTH AFRICA

The Rotary Foundation Cadre of Technical Advisers provides assistance and technical expertise to Rotarians planning and implementing projects, ensures the proper stewardship of Foundation grant funds, and assists Foundation trustees in the funding process.

The cadre is currently seeking Rotarians, especially **women** and **Arabic speakers**, who live in the Middle East and North Africa and are **experienced professionals** in these fields:

WATER AND SANITATION	MATERNAL AND CHILD HEALTH	DISEASE PREVENTION AND TREATMENT	ECONOMIC AND COMMUNITY DEVELOPMENT	BASIC EDUCATION AND LITERACY
Water resource management	Obstetrics and gynecology (women needed)	Communicable and infectious disease control	Microfinance project design and implementation	Teacher training
Water, sanitation, and hygiene in schools		Facility-based and mobile health care equipment and technology	Small enterprise: local business, cooperatives, social enterprise, income-generating activities including access to markets	Curriculum development
Planning and development of life skills-based hygiene education	Nursing and midwifery education and training (women needed)			Youth development and leadership
FINANCIAL AUDITING	International public health development	Primary health care, community health care, training of trainers	Vocational training	Working with out-of-school youth or underperforming youth
Auditing or accounting (especially Arabic speakers)				

For more information or to join the cadre, write to cadre@rotary.org.
