

ROTARY FELLOWSHIPS

Rotary Fellowships consist of members who share a common interest in recreational activities, sports, hobbies, or professions. These groups help expand skills, foster vocational development, and enhance the Rotary experience by exploring interests while developing connections around the world.

OVERVIEW

- Help participants make lasting friendships outside their own club, district, or country
- Advance Rotary's public image and identity
- Serve as an incentive for joining Rotary and for maintaining active membership

ORGANIZATION

- Function independently of Rotary International by establishing their own rules, dues requirements, and administrative structure.
- Are open to Rotarians, their family members, as well as participants and alumni of all Rotary and Foundation programs.

STARTING A NEW FELLOWSHIP

If your recreational or vocational interest isn't represented by Rotary's current Fellowships, contact rotaryfellowships@rotary.org for information about starting a new group.
