Statement: Rotary Foundation Bylaws section 5.10 states that any officer acting on behalf of the Trustees shall report such action to the trustees at their next scheduled meeting.

DECISION: The Trustees ratify the decisions as summarized in Appendix A, the complete copy of which is filed only with the official copy of these minutes, taken on their behalf between 1 March and 8 May 2015 by those authorized to do so.

137. Report of the General Secretary

139. Communications from the Board

Statement: At its May 2015 meeting, the Board took several decisions of interest to the Trustees.

*140. Tentative Future Agenda

Statement: Trustee procedures require at each meeting the submission of a tentative agenda for the next Trustees meeting.

DECISION: The Trustees receive the tentative agenda for their October 2015 meeting.

*141. Review of Conflicts of Interest Policy

Statement: Rotary Foundation Code of Policies section 2.040. calls for the Trustees to review their conflict of interest policy annually at their first meeting. The Code also requires the Trustees to submit an annual report disclosing all potential conflicts of interest.

DECISION: The Trustees have reviewed their current conflicts of interest policy and signed the “Potential Conflicts of Interest Statement” in accordance with the Rotary Foundation Code of Policies section 2.040.

*142. Compensation Paid to “Disqualified Persons”

Statement: In accordance with Rotary Foundation Code of Policies section 2.030.1., the Executive Committee annually reviews the amounts to be paid to Rotary International for the services of the general secretary and senior staff of The Rotary Foundation so as to assure that such payments are “reasonable” as the term
is defined under U.S. tax law. U.S. tax law provides that sanctions may be imposed on tax-exempt companies that pay unreasonable high levels of compensation to certain senior officers and executives. These persons are referred to as “disqualified persons.”

**DECISION:** The Trustees note that its Executive Committee has determined that the amounts to be paid in 2015–16 to Rotary International for the services for the general secretary, Rotary Foundation general manager, and Chief Programs and Member Services Officer are reasonable under US tax law.

*143. 2016–17 Trustee Goals (as part of 2015–18 Foundation Priorities)*

**Statement:** In decision 9, October 2014, the Trustees adopted four priorities to be addressed over a three year period starting 1 July 2015 until 30 June 2018. Noting the opportunities for greater efficiencies in operations and resource allocation, President-elect Germ and Trustee Chair-elect Banerjee collaborated to create a combined set of goals for Rotary and its Foundation that incorporated the Trustees’ previously approved priorities. The president-elect and chairman-elect also agreed to encourage use of the Presidential Citation (which among its criteria promotes Foundation-specific activities) as a tool to help achieve these goals.

**DECISION:** The Trustees

1. note the proposed annual goals for Rotary International in 2016–17;
2. request a final report on the 2016–17 annual goals for The Rotary Foundation at their October 2015 meeting;
3. acknowledge that these goals reflect and include the three year priorities approved by the Trustees in decision 9, October 2014;
4. request the Board to request the Strategic Planning Committee to review RI and TRF’s collaborative goal setting process to determine if it is a viable approach for identifying multi-year and annual goals for the organization in the future;
5. agree that the Presidential Citation is a valuable vehicle to promote club and district engagement and align their efforts with organizational goals and strategy.

**144. January 2016 Meeting Options**

**Statement:** Chairman Klinginsmith suggested the Trustees consider changes to their January meeting schedule to allow more time for strategic discussion and to provide for the Trustees to attend a presidential conference.

**DECISION:** The Trustees

1. agree to the following schedule of meetings for the January 2016 Trustees meeting:
   10-11 Jan. (Sunday-Monday) International PolioPlus Committee (Evanston, IL, USA)
   12-14 Jan. (Tuesday-Thursday) Trustees Meeting (Evanston, IL, USA)
   15-16 Jan. (Friday-Saturday) Presidential Conference - Peace (Ontario, CA, USA)
   17-23 Jan. (Sunday-Saturday) International Assembly (San Diego, CA, USA)
2. approve the Trustees attendance at the Presidential Conference in Ontario, California, USA;
3. acknowledge a net budget savings of US$43,000 to accommodate the change in schedule and attendance at the Presidential Conference.

**145. Joint Moderator for Future Regional Leaders Training Institutes**

**Statement:** Rotary Foundation Code of Policies provides that the Trustees approve at their annual April meeting the moderator for the regional Rotary Foundation coordinator (RRFC) institute. Noting that the RRFCs participate in the Regional Leaders Training Institute with endowment/major gift advisers, Rotary coordinators, and Rotary public image coordinators, the Trustees agreed that appointing a single joint moderator for the event (in discussion with the RI president-nominee) could better promote collaboration and teamwork among the four regional leader groups and result in a cost savings.

**DECISION:** The Trustees agree to defer consideration of a Joint Moderator for future Regional Leaders Training Institutes to their October 2015 meeting.

developing the Annual Fund goal, and to have the Fund Development Committee, at its April meeting each year review and recommend for adoption by the Trustees at their April meeting an Annual Fund goal for the upcoming year.

*156. Review of Level III Global Grants

Statement: The Trustees are required to approve all global grant requests between US$100,001 and $200,000 in World Fund. Currently, the Programs Committee chair appoints a primary reviewer for each of these applications. That trustee offers a report and recommendation to the Programs Committee, which then makes a recommendation to the full board of Trustees. The general secretary suggested streamlining the process by having the primary reviewer make a recommendation directly to the trustee chair, who could then approve or deny the grant on behalf of the Trustees.

DECISION: The Trustees do not agree to amend their policy to authorize the trustee chairman to approve on their behalf global grants requesting between $100,001–$200,000 in World Fund.

The TRF Centennial committee suggested that there be a point of contact in each district for TRF Centennial information. Rather than create a new position for the year, the committee suggested that DRFC chairs be appointed as this point of contact in 2016–17.

**DECISION:** The Trustees receive the report as to who shall serve as primary district contact for TRF Centennial information in 2016–17.

160. TRF Centennial Budget

Statement: The TRF Centennial committee was established to develop a plan to celebrate the Rotary Foundation’s centennial in 2016–17. The primary centennial goals are to recognize the Foundation for this achievement, encourage contributions, and promote Rotary. **DECISION:** The Trustees

Exhibit D: Legacy Programs
Districts/Clubs: Rotary Club of Durham (District 1030) and the Rotary Club of Calcutta Victoria (District 3291)
Nature of Request: Recommendation to waive the Rotary Club of Durham of any additional reporting responsibility for the final report for Matching Grant #76811 because of their good faith effort in communicating with the host sponsor to complete the reporting requirements. The Rotary Club of Calcutta Victoria will have sole responsibility for submitting information on how the grant funds were spent, Rotarian active participation, and submittal of bank statements in order to close the project file.

Districts/Clubs: Rotary Club of Ankeny (District 6000) and the Rotary Club of Bompai (District 9125)
Nature of Request: Recommendation to waive Rotary Club of Ankeny of any additional reporting responsibility for the final report for Matching Grant #78811 because of their good faith effort in communicating with the host sponsor to complete the reporting requirements. The Rotary Club of Bompai will have sole responsibility for submitting information on how the grant funds were spent, Rotarian active participation, and submittal of bank statements in order to close the project file.

Districts/Clubs: Rotary Club of Metropolitan Lubbock (District 5730) and the Rotary Club of Bwaila-Lilongwe (District 9210)
Nature of Request: Recommendation to waive Rotary Club of Metropolitan Lubbock of any additional reporting responsibility for the final report for Matching Grant #79215 because of their good faith effort in communicating with the host sponsor to complete the reporting requirements. The Rotary Club of Bwaila-Lilongwe will have sole responsibility for submitting information on how the grant funds were spent, Rotarian active participation, and submittal of bank statements in order to close the project file.

Exhibit E: Global Grant
Global Grant 1524737, $129,000 in total funding
Clubs: Rotary Club of Pune Central (District 3131) and the E-Club of Taiwan (District 3500)
Nature of Request: This application received a term gift from an AKS member. The AKS member wanted the money used to fund both graduate and undergraduate studies for women in India in the sciences. He was told by his district governor that this activity would be eligible for funding and made his gift accordingly. It is in fact ineligible. Global grants fund foreign study at the graduate level within a specific area of focus for students. They are not used to fund undergraduate studies in-country in subjects that fall outside of the areas of focus. The general secretary first learned of the donors intentions on the day of his induction into the Arch Klumph Society. Numerous discussions ensued to redesign the project so it would accomplish the donor’s goals (increased employment for women in the sciences) while adhering to global grant standards. In the end, the donor did not wish to compromise. Rather than inflame the situation further, the general secretary waived the following requirements: 1) graduate level studies; 2) foreign study and 3) a plan to connect the studies with actual jobs. The donor and sponsors were informed that this was a one-time waiver.

Global Grant 1526280, $50,984 in total funding
Clubs: Rotary Club of Unley (District 9520) and the Rotary Club of Dili, Timor Lorosa’e (District 9550)
Nature of Request: This application is for a basic education & literacy VTT project. The grant includes three VTT’s to provide a teacher training program in both Adelaide and Timor Leste to teach English as an additional language. The program can be adapted to the culture and limited resources of Timor Leste secondary
schools and other centers. While the first two VTT’s had three members each as required by the Code, the third has only two team members. In light of the good work already accomplished by this project, the general secretary waived the minimum requirement and allowed the team to proceed with just two members.

**Global Grant 1410616, $248,758 in total funding**

**Clubs:** Rotary Club of Reno (District 5190) and Rotary Club of Kihihi (District 9211)

**Nature of Request:** This is an extremely comprehensive project and VTT to establish a credentialed nursing school in a remote part of Uganda. The project provided equipment necessary to secure certification from the Ugandan government, the introduction of a curriculum to provide training and a VTT to train the faculty at the school. Most of the project is complete and there were funds leftover. The sponsors sought permission to use the leftover funding to send two faculty to Uganda Christian University to receive a master’s in Nursing Science. Given that this training ultimately benefits the school they are establishing, the general secretary granted a waiver that allows local graduate level study, as opposed to traveling abroad.
