      b. update all references regarding regional leader teams serving the districts in Germany, Liechtenstein, and Switzerland to note just one regional leader team;

23. **Tentative Future Agenda**

   **Statement:** At each meeting, the Trustees review a tentative agenda for their next meeting.

   **DECISION:** The Trustees receive the tentative agenda for their January 2020 meeting.

24. **2020–21 Annual Goals**

   **Statement:** The Rotary Foundation Code of Policies provides that the annual Foundation goals be approved by the Trustees in the year preceding the year that the goals are to be in place. President-elect Knaack and Trustee Chairman-elect Ravindran presented a set of joint goals that align with the RI Strategic Plan and the Trustees’ priorities.

   **DECISION:** The Trustees adopt the 2020–21 annual goals for Rotary International and the Rotary Foundation, as shown in Appendix C.

2. elect Trustee Michael F. Webb as their vice chair to serve during 2020–21 as an officer of The Rotary Foundation of Rotary International, an Illinois not-for-profit corporation.

27. Updates to The Rotary Foundation Code of Policies

Statement: Rotary Foundation Code of Policies section 22.010.7. requests the general secretary, at the conclusion of each Trustees meeting, to review the decisions taken by the Trustees at that meeting and prepare a report listing the decisions that might be added to The Rotary Foundation Code of Policies. The general secretary also recommends amendments to the Code to reflect current practices, language, or other factors.

DECISION: The Trustees amend the Rotary Foundation Code of Policies as shown in Appendix D, filed only with the official copy of these minutes.

28. Strategic Planning Committee Report

Statement: The Strategic Planning Committee met on 1–2 October 2019 in Evanston, IL, USA, and reviewed reports from various working groups, including one that studied the possibility of narrowing Rotary’s programs and offerings, one that reviewed communications and messaging regarding the strategic plan, and one that looked into committee structures. The committee also discussed first-year initiative update on the programs of scale, the global membership model, a business process review, and governance reform activities, an upcoming triennial survey on the strategic plan, and the partnership with Toastmasters, among other topics.

DECISION: The Trustees thank the Strategic Planning Committee for its report.

29. 2020–21 TRF Committee Structure

Statement: The Rotary Foundation Code of Policies provides that the chairman-elect to submit a proposed committee structure for the following year to the Trustees for review at their October meeting. Chair-elect Ravindran reported that he was still developing his 2020–21 committee structure but would present his plans to the Trustees at their January meeting.

DECISION: The Trustees, at the request of Chair-elect Ravindran, defer consideration of the proposed TRF Committee structure for 2020–21 until their January 2020 meeting.

30. Sunsetting Working Group Report

Statement: In decision 127, April 2019, the Trustees requested the Sunsetting Working Group to continue to investigate opportunities for streamlining peace program operations, volunteer structure, and major gifts fundraising support. The working group met by conference call in September and October 2019 to discuss the Trustees’ request. While it presented an interim report, the working group noted that more time was necessary to fully review these matters.

DECISION: The Trustees receive the interim report of the Sunsetting Working Group and look forward to receiving additional reports at future meetings.

31. Reconsideration of Rotarian Sanction

Statement: Trustee Chair-elect Ravindran requested the Trustees to consider modifying their April 2019 decision sanctioning Stephen R. Brown for actions taken in opposition to previous Trustee decisions.

DECISION: The Trustees amend their decision 98, April 2019 as follows:

98. TRF Appointments and Funding

DECISION: The Trustees agree that

[text omitted]

3. Stephen R. Brown, effective immediately, shall be ineligible to hold any TRF appointments or assignments until 1 January 2020.

32. TRF Bylaws Amendment

Statement: Noting that the 2019 Council on Legislation amended RI convention procedures by eliminating all references to delegates, electors, and ballots at future RI conventions, the general secretary suggested that the Trustees remove a sentence in the Foundation Bylaws that as a result would be very difficult to implement.
**DECISION:** The Trustees

1. amend TRF Bylaws Section 3.5 by striking the final sentence relating to convention voting:

   **Section 3.5 — Removal.** [text omitted] For good and sufficient cause, and upon notice to all the trustees and the trustee concerned (who shall be given an opportunity to be heard), a trustee may be removed by the three-fourths vote of the directors of the corporate member. **Such removal shall be effective upon ratification of the directors’ action by majority vote at the next scheduled convention of the corporate member.**

2. in accordance with TRF Bylaws Section 9.4, requests the Board to approve this amendment.

33. **Fund Development Committee Report**

   **Statement:** The Fund Development Committee met on 14–15 October 2019 in Evanston, IL, USA, and received and discussed updates from the deputy general secretary and the chief philanthropy officer, the 2020–21 worldwide comprehensive fundraising goal, annual giving trends, an update on the End Polio Now: Countdown to History campaign, an exception request to the global grant scholarship endowed fund policy, a possible name change to the Arch Klumph Society Family Circle, results from the donor events at the 2019 Hamburg Convention, a fundraising strategy for Rotary Peace Centers in Uganda, corporate social responsibility in India, an annual fund communications update, an update on building the Foundation’s endowment (the 2025 by 2025 initiative), the endowment/major gift advisers, new fundraising technologies, the status of the financial management system project, an update from the Areas of Focus Major Gifts Initiatives Committee, and a report on international fundraising, among other topics.

   **DECISION:** The Trustees

   1. thank the Fund Development Committee for its report;
   2. endorse the proposed 2020–21 worldwide comprehensive fundraising goal as shown in Appendix E, filed only in the official copy of these minutes;
   3. request the general secretary to study the feasibility of offering legally binding pledges for amounts less than the current $10,000 minimum, for report at the April 2020 Trustees meeting; 4. recognize the increased level of major gifts and commitments facilitated by endowment/major gift advisers, Area of Focus Major Gift Initiative Committees, and professional gift officers.

34. **Rotary Peace Center—Makerere University**

   **Statement:** In decision 132 June 2019, the Trustees approved Makerere University, Kampala, Uganda, as the next Rotary Peace Center. The general secretary reported that while Rotarians have expressed interest in supporting the new Makerere peace center’s operations, current Foundation policy does not permit peace centers contributions to be directed to a specific center. Noting the additional endowment contributions that will be needed to adequately fund the new peace center, the Fund Development Committee recommended that the Trustees consider approving endowed fund naming opportunities specifically for the Makerere University Rotary Peace Center.

   **DECISION:** The Trustees approve new naming opportunities, as shown in Appendix F, filed only with the official copy of these minutes, to support fundraising efforts for the new Makerere University Rotary Peace Center.

35. **Endowed Scholarship Fund Policy Exception Request**

   **Statement:** The general secretary received a policy exception request regarding an endowed scholarship fund in District 7570 (USA). Noting that an exception in this case would likely lead to exception requests from other districts with similar situations and ultimately dilute the Foundation’s strategic focus, the Fund Development Committee recommended that no exception be granted.

   **DECISION:** The Trustees

   1. acknowledge District 7570’s request for policy exceptions regarding the use of spendable earnings from the William E. Skelton Endowed Scholarship and the Reid Jones Endowed Scholarship; however, do not agree to grant a policy exception;
   2. reaffirm that all scholarships funded by endowment earnings are subject to the terms and conditions of global grants, including Foundation review and approval;
3. reaffirm that endowment earnings used in global grants do not receive a World Fund match.

36. Arch Klumph Society Circle of Honor

Statement: The Arch Klumph Society Centennial Family Circle allows lineal family members to be named as recipients by existing Arch Klumph Society donors with new cash contributions to The Rotary Foundation starting at US$250,000. Based on donor feedback, the Fund Development Committee recommended that the Trustees rename this recognition and expand its eligibility.

DECISION: The Trustees

1. rename the Arch Klumph Society Family Circle to Arch Klumph Society Circle of Honor and expand the eligibility to include any recipient of the Arch Klumph Society member’s choosing, effective immediately;

2. agree to continue all existing Family Circle stewardship practices for the Arch Klumph Society Circle of Honor members, including listing recipient and donor names in the gallery interactive display.

37. Affinity Credit Card Royalties

Statement: Rotary Code of Policies section 35.070.2. states that all revenue received by RI from the Affinity Credit Card program shall be distributed to The Rotary Foundation. In decision 90, January 2016, the Trustees agreed to designate royalties from the Affinity Credit Card program to the PolioPlus Fund from fiscal year 2016 through 2020. The Fund Development Committee recommended the Trustees continue this allocation through the end of fiscal year 2023.

DECISION: The Trustees agree to designate Affinity Credit Card royalties to the PolioPlus Fund in fiscal years 2021 through 2023.

38. Corporate Social Responsibility in India Pilot Update

Statement: In decision 106, April 2018, the Trustees agreed to extend the Corporate Social Responsibility (CSR) in India pilot for a fourth year through 30 June 2020. The Fund Development Committee recommended the Trustees develop evaluation criteria for the pilot, including revenues, expenses, impact, administration requirements, and user satisfaction, before their review at the April 2020 Trustees meeting.

DECISION: The Trustees

1. agree to the metrics for measuring the performance of the CSR in India pilot, as shown in Appendix G, filed only with the official copy of these minutes;

2. request the general secretary to provide an update and analysis of the performance of the CSR in India pilot at the April 2020 Trustee meeting.

39. Low-Cost Shelters and Simple Schools Pilot

Statement: In decision 43, September 2016, the Trustees approved a pilot to provide for the construction of low-cost shelters and simple schools within global grants by lifting the ban on construction for a three-year period beginning 1 January 2017 and requested the general secretary to evaluate whether to include this project type in global grants, for report at this meeting. The general secretary reported that findings of a recent comprehensive evaluation show that this project type does not fit in the global grant model structure or within any of the areas of focus.

DECISION: The Trustees

1. agree to stop accepting applications for low-cost shelters and simple schools projects beginning 1 January 2020;

2. request the Programs Committee to work with the general secretary to offer an alternative recommendation, if any, regarding low-cost shelters and simple schools at the April 2020 Trustees meeting.

40. Joint Committee on Partnerships Report

Statement: The Joint Committee on Partnerships met on 26–27 August 2019 in Evanston, IL, USA, and discussed a potential partnership with Global Partnership for Education, the potential establishment of a new Rotary program designation: Rotary Endorsed Programs, updates on the new programs of scale grant type, the RI/USAID partnership, the Institute for Economics and Peace partnership, the status of collaborating organizations, service and project partner updates, corporate cultivation, and efforts to develop new partnerships, among other topics.
DECISION: The Trustees

1. thank the Joint Committee on Partnerships for its report;

2. approve the pilot partnership concept with the Global Partnership for Education and request the general secretary to execute a memorandum of understanding with the Global Partnership for Education from 1 January 2020 through 31 December 2022;

3. defer consideration of a new program designation: “Rotary Endorsed Programs” to their April 2020 meeting and request the general secretary to consider research on scaling global grants and its intersection with Rotary-endorsed programs.

41. Resource Partnership Opportunity

Statement: The general secretary reported on the opportunity to establish a new resource partnership that would seek to improve nutrition among children under five in a yet-to-be-determined sub-Saharan Africa country.

DECISION: The Trustees

1. agree in concept to a co-financed, developed, and implemented early childhood nutritional intervention program in a sub-Saharan Africa country (to be identified by 30 June 2020) with The Power of Nutrition in cooperation with The Eleanor Crook Foundation;

2. agree to a resource partnership with The Eleanor Crook Foundation that would leverage a total of US$2,500,000 donated in equal installments over five years as a match to The Rotary Foundation and approve the annual use of $500,000 from unrestricted funds beginning in 2020–21 through 2024–25 for this purpose, subject to the receipt of funds from the Eleanor Crook Foundation;

3. request the general secretary to work with The Power of Nutrition and The Eleanor Crook Foundation to analyze the possible sub-Saharan Africa countries for consideration and approve a 2019–20 budget variance of $20,000 for this purpose;

4. request the general secretary to provide an update on this proposed resource partnership for final approval at the June 2020 Trustees meeting.

42. Environmental Issues

Statement: Chair-elect Ravindran recommended that the Trustees create a special task force to study whether to add Environment as a new area of focus. The Trustees discussed broadening the concept by naming the potential area of focus “Environmental Issues.”

DECISION: The Trustees

1. agree to consider adding Environmental Issues as a new Area of Focus or adding Environmental Issues to an existing Area of Focus;

2. approve the creation of a task force to study this issue, comprising four trustees—one to be selected by the Trustee chair, one to be selected by the chair-elect, one to be selected by Trustee Germ, and the final trustee to be selected from among the members of the 2018–19 Areas of Focus Review Committee—and one Rotaractor to be agreed upon collectively by the chair, chair-elect, and Trustee Germ, such task force to work with the general secretary, for report to the Trustees at their April 2020 meeting;

3. authorize a 2019–20 budget variance of US$30,000 for two in-person meetings of this task force,

4. invite the RI president to appoint a director liaison to the task force.

Note: The Trustees wished to record that this decision was decided by a unanimous vote.

43. Peace Centers Committee Report

Statement: The Rotary Peace Centers Committee met on 25–26 September 2019 in Evanston, IL, USA, and discussed the selection of 2020 Rotary Peace Fellows, the evaluation of the Rotary Peace Centers and a site visit update, a summary of events and highlights from the Rotary Peace Centers, an update on the Rotary peace strategy, the partnership with the Institute for Economics and Peace, the Rotary Peace Centers future growth plan, an update on alumni relations and a peace symposium debrief, Peace Major Gifts Initiative Committee activities, marketing and recruitment for the Rotary Peace Centers, application processing for the Peace Centers, proposals for improving the application and selection process, and strategies for improving club and district engagement, among other topics.
**DECISION:** The Trustees

1. thank the Rotary Peace Centers Committee for its report;
