

VIRTUAL REALITY SAFETY

Please review this safety card prior to viewing. Remember, the objects you see in the virtual environment are not real; do not attempt to sit, stand, or interact with any objects you see.

Remain seated during use and remain seated for a few minutes after use to reorient yourself.

One use only, up to 5 minutes.

Discontinue use if you experience:

- Dizziness, motion sickness, or disorientation
- Eye strain
- Pain or discomfort of any kind

Hearing aids will need to be removed as ear buds will be used for listening.

Contact your physician before using if you have a pacemaker or other implanted medical device.

Consult your physician if you:

- Have heart conditions
- Are pregnant
- Have vision abnormalities

DO NOT USE:

- If you are tired, have used alcohol or drugs, or are hungover
- If you have a cold, flu, or earache
- If you are under emotional stress
- If you have high blood pressure
- If you have epileptic symptoms or seizures
- If you suffer from motion sickness
- If you suffer inner ear infections
- If you suffer from claustrophobia

Refer to the manufacturer's product safety warnings for more information.
