

RESOLUTION 19R-32

To request the RI Board to consider delaying the semiannual dues invoice date

Proposer(s): Rotary Club of Pudukkottai, District 3000, India

Endorsed by: District 3000 through a district legislation meeting, Pudukkottai, Tamil Nadu, India, 1 May 2019

1 WHEREAS, currently, semiannual dues invoices are prepared on 1 July and 1
2 January of each Rotary year. This has proven to be problematic in the case of
3 members who resign during the first week of either month, as, inevitably, club
4 presidents are forced to cover the dues payments themselves, and

5
6 WHEREAS, the current system is especially trying on new presidents,
7 who must deal with these resignations, and often make financial restitution, just
8 as they begin their term of office on 1 July, and

9
10 WHEREAS, if club invoicing is postponed until 16 July and 16 January, the club
11 president will then have sufficient time to clear the names of those who have
12 resigned from club membership lists prior to preparing the invoice

13
14 IT IS RESOLVED by Rotary International that the Board of Directors of Rotary
15 International consider delaying the invoice preparation by 15 days to 16 July and
16 16 January.

FINANCIAL IMPACT

17 If implemented, this resolution could have a financial impact on RI which cannot
18 be determined at this time. Cost would be dependent on the scope and extent of
19 support provided by the RI Board to accomplish this goal. Delaying the invoice
20 preparation by 15 days for clubs to update their membership roster would have a
21 significant impact on membership reporting, development efforts, and
22 recognition.
