****Venezuela**

*There is an ongoing outbreak of respiratory illness caused by COVID-19 (novel coronavirus) that can be spread from person to person. Older adults and people with chronic medical conditions may be at increased risk for severe disease. **Because there are disease related health risks, and travel assistance and evacuation services cannot be guaranteed, Rotary funded travel to, from and through these countries is restricted until further notice.**

The country is experiencing outbreaks of infectious diseases, and adequate health care is currently not available in most of the country. **Rotary funded travel to this country is restricted.

Those with funded assignments to, from or through these destinations should contact RITS@rotary.org for further direction and information.

Regardless of what is stated here, it is the traveler's responsibility to investigate the area to which he/she is going and assess the risks.

Exceptions to this list may only be granted by the Rotary General Secretary.
